TO: Members of the Undergraduate Curriculum Committee:
Deb Bell
Karen Grigg
Nicole Dobbins
Donna Duffy
Watson Jennison

FROM: Nicole Dobbins, Chair

TIME & PLACE: Conference Room, 1607 MHRA, 2:00 P.M.

AGENDA ITEMS:

I. Approval of Minutes
Minutes of December 5, 2014

II. Old Business
A. New Course Proposal
   Educational Research Methodology
   ERM 405 Measurement and Assessment in Teaching (Donaldson, Duffy) Approved Pending
   adjustment of the grading scale with a notation that they used the graduate grading scale
   rather than undergraduate. Also, the attendance policy needs more structure, for example, how
   attendance affects the student's grade. See response from Randy Penfield with new syllabus
   Music Performance
   MUP 184 Beginning Ukulele (Lilly, Donaldson) Approved Pending clarification of the number
   of hours for which the course may be repeated for credit. Received response from Sandra Teglas
   stating that the course cannot be repeated for credit.
B. Routine Course Proposals
   Biology
   BIO 583 Virology – change prerequisites (Layson, Lilly) Approved Pending GSC approval. Approved by
   GSC 12/5/14
C. Program Revisions
   Communication Sciences and Disorders/Speech Pathology and Audiology – ISM 110 expanded to
   speech pathology track, foreign language 102 may be substituted by a second level sign language course;
   STA 108 for math GEC – (Dobbins, Bell) Tabled (1/10/14) pending clarification of Bulletin text with all
   changes with current text; text is hard to website with MAT 115 still in major requirements; consultation
   needed with Specialized Education Services (SES). New form submitted. (Bell, Donaldson)
   Approved Pending clarification of how ISM 110 will fit in requirements, not found in Bulletin text. Also, will
   MAT 115 remain in requirements with STA 108? Received response from Susan Phillips
   Teacher Education and Higher Education – BS Middle Grades Teacher Education – add and remove
   courses from core and related area requirements. – (Donaldson, Layson) Tabled – remove TED course
   until approved; add ERM course number; revise number of credit hours – must be 122. (Layson, Donaldson) Tabled pending approval of ERM 405 and clarification by Registrar of credit hours. The
   University Registrar's Office feels that the hours should be a range of 122-128 rather than forcing 124
   because of the different concentrations and courses taken for credit within each concentration. The credit
   structure will be 122-128.

III. New Business
A. Request for Authorization to Establish a New Degree Program (Appendix C)
   Psychology
   Bachelor of Science in Psychology – Request for Authorization to Plan a New Degree Program (Appendix
   A) was approved by UCC to be submitted to General Administration on March 21, 2014.

B. New Course Proposal
   Languages, Literatures, and Cultures
   LLC 250 Global Cultures through Film: Angles of Vision
C. **Routine Course Change Requests**
   **Anthropology**
   ATY 450 Anthropology in the Environment: Culture, Environment, and Adaptation – change title to Environmental Anthropology
   ATY 465 An Overview of Medical Anthropology – change title to Medical Anthropology
   **Communication Studies**
   CST 408 Health Communication – remove CST 300 as prerequisite
   **Public Health Education**
   HEA 203 Peer Health Education: Selected Topics – change grading method from P/NP to letter grade
   **Special Programs in Liberal Studies /International and Global Studies**
   – revise course content percentages in IGS category descriptions; remove inappropriate core course options; clarify and emphasize options for concentrations

D. **Program Revisions**
   Environmental and Sustainability Studies/Environmental Studies Concentration and Environmental Studies Minor – add LLC 130 Global Green: Cultures of Production and Consumption to the concentration and the minor.
