THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO
UNDERGRADUATE CURRICULUM COMMITTEE
Meeting Minutes
January 9, 2015

Members present: Bell, Dobbins, Donaldson, Dale for Grigg, Henline, Jennison, Layson, Rankin, Saunders
Members Absent: Duffy, Kinefuchi, Lilly, Pettazzoni, Ramsey,
Guests: Barbara Tookey, Office of Assessment and Accreditation, Della Hawes, University Registrar’s Office

AGENDA ITEMS:
I.  Approval of Minutes
Minutes of December 5, 2014 (Bell, Donaldson) Approved

II. Old Business
A. New Course Proposal
   Educational Research Methodology
   ERM 405 Measurement and Assessment in Teaching (Donaldson, Duffy) Approved Pending adjustment of the grading scale with a notation that they used the graduate grading scale rather than undergraduate. Also, the attendance policy needs more structure, for example, how attendance affects the student’s grade. See response from Randy Penfield with new syllabus. Approved

   Music Performance
   MUP 184 Beginning Ukulele (Lilly, Donaldson) Approved Pending clarification of the number of hours for which the course may be repeated for credit. Received response from Sandra Teglas stating that the course cannot be repeated for credit. Approved

B. Routine Course Proposals
   Biology

C. Program Revisions
   Communication Sciences and Disorders/Speech Pathology and Audiology – ISM 110 expanded to speech pathology track, foreign language 102 may be substituted by a second level sign language course; STA 108 for math GEC – (Dobbins, Bell) Tabled (1/10/14) pending clarification of Bulletin text with all changes with current text; text is hard to read; website with MAT 115 still in major requirements; consultation needed with Specialized Education Services (SES). New form submitted. (Bell, Donaldson) Approved Pending clarification of how ISM 110 will fit in requirements, not found in Bulletin text. Also, will MAT 115 remain in requirements with STA 108? Received response from Susan Phillips (Donaldson, Layson) Approved

   Teacher Education and Higher Education – BS Middle Grades Teacher Education – add and remove courses from core and related area requirements. – (Donaldson, Layson) Tabled – remove TED course until approved; add ERM course number; revise number of credit hours – must be 122. (Layson, Donaldson) Tabled pending approval of ERM 405 and clarification by Registrar of credit hours. The University Registrar’s Office feels that the hours should be a range of 122-128 rather than forcing 124 because of the different concentrations and courses taken for credit within each concentration. The credit structure will be 122-128. (Donaldson, Layson) Approved

III. New Business
A. Request for Authorization to Establish a New Degree Program (Appendix C)
   Psychology
   Bachelor of Science in Psychology – Request for Authorization to Plan a New Degree Program (Appendix A) was approved by UCC to be submitted to General Administration on March 21, 2014. (Bell, Layson) Approved
B. New Course Proposal
Languages, Literatures, and Cultures
LLC 250 Global Cultures through Film: Angles of Vision (Jennison, Rankin) **Tabled**.
The proposal was Tabled pending clarification of the mode of delivery. It is not clear whether the course is face to face or an online course since it is indicated that it is both. It is also unclear for whom the course is intended; i.e., is it intended for BLS students (online) or all students at UNCG (online or face-to-face)? The suggestion was made that the title of the course be changed to Global Cultures through Film because the term, "Angles of Vision". Some committee members felt "Angles of Vision" might require an explanation.

C. Routine Course Change Requests
Anthropology
ATY 450 Anthropology in the Environment: Culture, Environment, and Adaptation – change title to Environmental Anthropology (Layson, Donaldson) **Approved**
ATY 465 An Overview of Medical Anthropology – change title to Medical Anthropology (Layson, Donaldson) **Approved**
Communication Studies
CST 408 Health Communication – remove CST 300 as prerequisite (Layson, Jennison) **Approved effective Fall 2015**
Public Health Education
HEA 203 Peer Health Education: Selected Topics – change grading method from P/NP to letter grade (Donaldson, Layson) **Approved effective Fall 2015**
Special Programs in Liberal Studies /International and Global Studies – revise course content percentages in IGS category descriptions; remove inappropriate core course options; clarify and emphasize options for concentrations (Layson, Jennison) **Rejected**. The request was rejected because it appears that most of the changes submitted constitute a program revision rather than a routine change.

D. Program Revisions
Environmental and Sustainability Studies/Environmental Studies Concentration and Environmental Studies Minor – add LLC 130 Global Green: Cultures of Production and Consumption to the concentration and the minor. (Rankin, Bell) **Approved**

Meeting adjourned at 2:35 p.m.
