Department-Specific Workshops from the Teaching Innovations Office

The Teaching Innovations Office offers department-specific workshops. These workshops can be tailored both in time and scope for your departmental needs and projects. Let the UTLC help you with our background in pedagogy and research from the scholarship of teaching and learning.

Vist innovations.uncg.edu or e-mail innovations@uncg.edu and we will create the workshop that fits your goals.

Workshops are a great addition to department meetings and retreats. We will bring the talent and tools right to you - on your schedule.
